Knobs  
Drawer Pulls  
Embossed Carvings  
Spindle Carvings  
Plywood  
Dimension  
Rough  
Fully Machined

To The Trade:

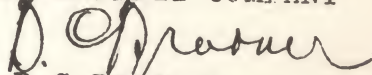

This Catalogue will show you our new and exclusive patterns of CE Mouldings. Considerable expense was involved in perfecting the equipment that produces these designs in order that they could be manufactured in a price range that would permit their adoption on furniture in the medium price bracket.

We are expecting to add new patterns from time to time, and particular emphasis is being placed on designs for the new Modern groupings manufacturers are making in greater quantities as the trade demands.

We feel sure you will like these individual patterns. We began manufacturing CE Mouldings before the War, but our production was not in large enough volume to permit us to catalogue them. CE Mouldings are now specified by several Designers on Furniture being produced by some of the largest manufacturers of Dining and Bed Room Suites. We feel sure you will find them of interest.

Your inquiries and orders are solicited.

Yours very truly,  
BOYNTON-WADDELL COMPANY

  
B.C. Bradner  
Treasurer
